

CONSULTANT BIO

RICK SWEGAN

Whether advising companies on **hiring decisions** or providing **developmental feedback** to executives, leaders, team members, or candidates, Rick delivers valid, objective, **actionable feedback** that takes into account the best interests of both the company and the individual.

Rick bring a **wealth of experience** to clients by leveraging his three decades of experience as **both a practitioner and a consultant**. He partners with leadership teams to deploy their visions through development of their culture, systems, processes, and leadership skills. His clients appreciate his **insightful approach** to **devising actionable strategies** for achieving the desired future state.

Rick's clients benefit from his **broad background and expertise**, including experience in academia, consulting, national sales, and assessment services. He is diligent in **understanding client needs**, reflecting and transforming needs to **targeted solutions**, and delivering programs and services that best support the interests of those he serves.
